

We Want to See YOU at the Annual Meeting!

Otero County Electric Cooperative's Annual Meeting will be held Saturday, August 4, 2018, and we have lots of reasons you should attend. We have planned a morning filled with great information about your cooperative, informational booths on energy related topics, fun giveaways and valuable door prizes because we want YOU to enjoy the benefits of being a member of YOUR cooperative.

The meeting will be held in the Cloudcroft High School Gym and will feature some informational updates from your board of trustees, an introduction of employees and a fantastic chance to see and visit with your neighbors. Registration begins at 8:30 a.m., with the business portion of the meeting to begin at 10:00 a.m. Don't forget to stick around for the door-prize giveaway and a tasty barbecue lunch served by the Cloudcroft Culinary Arts students.

Join us for a wonderful day—we look forward to seeing you there!

Celebrating 79 years of reliable service to our "MEMBERS"

 **OCEC offices will be CLOSED Wednesday, July 4, in observance of Independence Day.**

Safety Matters: Out Door Fire Safety

At OCEC, we believe that in a culture of safety, information is a powerful tool, and electricity and safety should go hand in hand. With the same commitment we ensure our employee are educated and practicing safety at all times, we strive to inform our consumers of all ages about electric safety.

Otero County Electric Cooperative maintains approximately 2,765 miles of distribution line within its service territory. Many of these lines traverse through forests and other areas susceptible to wildfire. With the extreme drought conditions being experienced in New Mexico, these areas are particularly vulnerable. OCEC will do all we can to ensure the protection of our forests and other valuable resources. Please join us in doing the same.
