

## Budget Billing Available to OCEC Members

Weather changes can cause dramatic ups and downs in your utility bill, but you can even out your electric bill payment by signing up for budget billing. Budget billing is a stable payment plan that allows members to pay a fixed amount monthly, giving you the ability to budget your money more efficiently.

In order to enroll in budget billing, your electric account must be current and in good standing. A billing advisor will then analyze your account to determine your monthly budget amount. Your monthly electric bill will continue to indicate your current electric consumption and reflect the budget amount you are to pay.

If you are interested in signing up for budget billing, call 1-800-548-4660 and a member service representative can get the process started for you.

## GEARED FOR SAFETY

Electric co-op lineworkers wear special gear to help them stay safe on the job. Can you match the descriptions below to the correct safety equipment? Use the answer key to check your work!

1. These provide extra protection while lineworkers work with heavy materials that could fall near their feet.

2. This material keeps lineworkers safe from electrical hazards.

3. This protects lineworkers from head injuries and falling debris.

4. These insulated protectors keep lineworkers safe from electrical shock while working on power lines.

5. These keep debris away from lineworkers' eyes while on the job.

6. This is a handy piece of safety gear that holds tools and other equipment.

Answer: 1. Work Boots 2. Flame-Resistant Clothing 3. Hard Hat 4. Insulated Gloves 5. Safety Goggles 6. Equipment Belt

**Committed to the job.
